Tools You May Need:

Cordless Drill

Skil / Table Saw

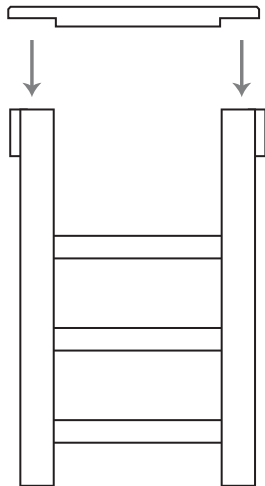

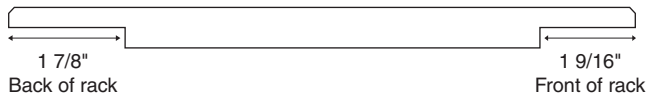

Thank you and CONGRATULATIONS for purchasing this quality product. Before installation, please ensure that you have all necessary tools & hardware. If you have any questions or problems please call customer service toll free **1-888-373-6057** Monday through Friday 7:00 am - 5:00pm MST.

### step 1

Measure your racking. If necessary, trim your TopCap to length and simply lay it in place. If you wish, anchor the TopCap directly to the racking with a 1 1/4" wood screw (you may want to drill 1/16" a pilot hole first). That's it! (figure 1)

**note:** There is a specific front and back to the single depth Top Shelf.
